# Aerospace Conference 2026

Thursday 29 October  
Cutlers Hall, Sheffield

**Sponsorship & Advertising Opportunities**

# Event Overview

Following the success of the 2025 Energy Generation Conference and Dinner, the BMC is thrilled to announce the theme of the 2026 conference as Aerospace.

The conference will provide an overview of each topic as well as specific advice to those in, or looking to access, the sector.

The event will provide an ideal networking with the 100+ delegates and a brand promotion opportunity for those looking to partner with the BMC on this outstanding event.
